

Directions to Neurolaboratorio:

Neurolaboratorio is located by the Kauppatori Square in Turku, in the Mehiläinen building, at Kauppiaskatu 8. Take the lift to the 2nd floor of the medical centre Mehiläinen, pass the lobby to a corridor behind the service desks, turn left and follow the signs.

Local bus stops are located at Kauppatori Square; long distance buses stop at the nearby bus station. Kerbside parking is limited, but ample parking space is available in the Louhi underground car park (entrance from Läntinen Pitkätatu 12), which also offers direct access to Mehiläinen by lift.
